

Focus for Success

Breakthrough Business Planning Workshop

The Breakthrough Business Planning Workshop will have you look deep into the future of your business and reconnect the passion that fuels you. You will create a complete step-by-step action plan for 2011 that stems directly from your long term vision of success.

In the workshop we will:

Reconnect

Your vision and your passion for your business

Focus

Bring clarity back to your business dreams

Set

Have goals and objectives set for 2011

Plan

Get the most important task of the year....

Your Strategic Growth Plan.....DONE!
